deadline
JANUARY 16, 2010

Authors notified of
acceptance
FEBRUARY 16, 2010

Paper submittal deadline
APRIL 29, 2010

Iris Power will be hosting the 13th annual Iris Rotating Machine Conference June 21-24, 2010, in Orlando, Florida. This annual conference is attended by industry professionals from around the world.

We invite you to submit your abstracts to Michelle Mathias at mmathias@irispower.com

SUGGESTED TOPICS INCLUDE:

- new diagnostic test methods
- winding repair methods
- detection of rotor winding problems
- new developments in rotating machine insulation
- the effect of inverter fed drive surges on motor insulation
- case studies on motor and generator predictive maintenance

*Authors will receive one complimentary conference registration per paper.
